

Oil Sample Form

End user: _____

Location/site: _____

Unit

Manufacturer: _____ Unit: _____

Model: _____ Serial number: _____

- Component: Air Compressor Gas Compressor Refrigeration Compressor
 Centrifugal Reciprocating Rotary Screw Rotary Vane
 Bearings Circulating Oil
 Engine Gears Hydraulic
 Vacuum Pump
 Liquid Ring Rotary Screw Rotary Vane

Oil capacity: _____

Oil

Trade name: _____

Last oil change: _____ Hours on unit: _____

Date sampled: _____ Hours on oil: _____

Hours on filter: _____

Comments

NOTE: An accurate set of recommendations depends on representative oil samples as well as complete and correct information on units and lubricants.
